

Suntrap Shared Stories

Brian Jenkin

Pupil at Chase Lane Primary School

I went to Chase Lane Primary School in late 1960's. We used to get taken to Suntrap every three weeks throughout that school year.

I remember being instructed by Ken Hoy... One thing I recall being taught was the correct way to pronounce 'lichen'.

That's me in the glasses: the wary look is probably because that bird gave me quite a peck on the nose once.

We all really enjoyed these visits and were lucky to be taken to Suntrap so often.'
